A Year Of Cruising World At Your Fingertips

Every year we run more than 200 feature and how-to-articles in the pages of *Cruising World* as well as hundreds of boat and product reviews, news items, previews of coming events and much more. As many readers have told us over the years, *Cruising World* is a resource that can be kept for years as the authori-

tative reference for cruising sailors. To make that resource more useful, we are pleased to include in this issue our annual index. The index is organized into four categories: **Subject, Author, Geographic, and Boats Reviewed.** You should be able to quickly find articles that interest you.

THE CATAMARAN REVOLUTION

THE PERFECT SOLUTION

LIVEABOARD — Light and airy layout with five separate cabins and 6'4" headroom, and the space of a 40' monohull.

CRUISER — Gemini is the perfect boat for serious cruising, with only 18" of draft and sailing at only 5 degrees of heel.

RACE — A catamaran is fast, and Gemini, with the addition of a centerboard and a modern mast head rig, is one of the fastest sailboats around.

GEMINI 3200	
LOA	32'
BOA	14'
DISPL	8,000 lbs.
S/A	460 sq. ft.
DRAFT	1'6"/4"6"

LEARN YACHT DESIGN

POWER & SAIL

THROUGH WESTLAWN'S ACCREDITED INDEPENDENT STUDY PROGRAM

For 60 years, the Westlawn Institute of Marine Technology has educated many of the world's finest boat and yacht designers. Westlawn can teach you at home, at your own pace, to design new boats or modify existing ones. When you graduate, you'll have the top level skills you need to launch your career in a yacht design firm, a production boat manufacturing company or even to establish your own design office.

To learn more about Westlawn and our unique home study program, call or write for our FREE illustrated course catalog TODAY.
